## DETAILED ACTION

### *Response to Amendment*

1. The reply filed on 10-29-02 is not fully responsive to the prior Office Action because: The prior Office Action stated that the amendment filed 7-10-02 was non-responsive since Applicant's amendment to claim 28 was not in compliance with 37 CFR 1.121(c), since there is no amendment showing the change in claim language from a method claim to a composition claim. Moreover, Applicants have not addressed this particular issue in the amendment filed 10-29-02. Additionally, Applicant's response filed 10-29-02 states on page 8, that corrections to drawings numbered 6, 7, and 21 are attached as Exhibit C. There was no Exhibit C attached to the response filed 10-29-02. Applicant is required to submit acceptable corrected drawings within the time period set in the Office action. See 37 CFR 1.85(a). Failure to take corrective action within the set period will result in **ABANDONMENT** of the application.
2. Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).
3. The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.
